

Turpin Creek Salvage Farm Bill CE - Public Meeting

October 27th, 2020 6pm

The Brush Creek/Hayden District of the Medicine Bow-Routt National Forests will be discussing the Turpin Creek Salvage Project. The project area is in the Turpin Creek vicinity, an area which has been heavily impacted by a tornado that touched down on June 6, 2020.

The purpose of the project is multifaceted, but the main objectives are to reduce the risk of spruce beetle infestation, reduce the hazard to forest users, reduce the risk of catastrophic wildfire, in addition to providing forest products and jobs to the local economy.

To join this meeting click the “Join Microsoft Teams Meeting” link below. We advise you to enter the meeting before 6 PM. If you are unable to join for any reason, please call Keith Brugger at 307-450-3182.
